

ANOTHER SHOT AT FOREVER

Love is even hotter the second time around in this steamy contemporary romance by Joslyn Westbrook

Reed Cortez is a one hundred percent clichéd sight for sore eyes.

Especially since I thought I'd never see him again.

Back in college, we couldn't keep our hands off each other. We were on a whirlwind path to forever—until our career goals split us apart.

Six years later, fate has brought **Mr. Lava Hot Footballer** back into my life, and he's agreed to be my fake fiancé at my sister's destination wedding.

When our ruse forces us to share a hotel room for a weekend, red-hot flames reignite and sizzle between the sheets.

But, come on.

I'm not *real* wife material.

So why is a man who could have any woman he wants determined to give us **another shot at forever?**
